Liberty Tutoring & Mathworks Schedule Winter – Spring SAT / ACT Prep Classes

Mathworks and Liberty Tutoring are pleased to announce our winter-spring 2008, weekend SAT/ACT tutoring program schedule. Below you will find a listing of SAT/ACT test dates and the suite of four, three-hour sessions (one track for language arts and a separate track for math) that lead up to these. Classes will likely be held at the Mathworks Learning Center (across from Gulf Coast High School on the north side of Immokalee Road) or a nearby location. See <http://www.weatherworks.com/mathworks.html> for a map.

Mathworks and Liberty Tutoring will also provide one smaller, one-hour group session so students can ask their tutor more specific, targeted questions. These smaller group sessions will be scheduled toward the end of the main tutoring program, typically on a weekday evening.

As always, our math-based SAT/ACT preparation classes key on understanding math concepts (algebra, geometry and for ACT - trigonometry), addressing how to decode word problems and improving upon test-taking strategies. Language arts tutoring will key on vocabulary building, reading comprehension, reasoning, writing and grammar skills and improved test-taking strategies.

Each 13-contact hour program (language only and math only) costs \$450, which includes the ACT or SAT prep book and materials. The total cost for all test programs needs to be paid as soon as possible in order to guarantee a slot in the program of your choice. For each program, a 50%, partially refundable, deposit is due at least 4 weeks before the start of the class with the remainder (all deposits now become non-refundable) due two weeks before the first session.

To sign up, complete and submit the online application / inquiry form at <http://www.weatherworks.com/mail-form.SAT-ACT.html> and send it along with payment to the address shown above for Math tutoring and to P.O. Box 110414, Naples, FL 34108 for language arts tutoring. Mathworks and Liberty Tutoring will accept credit card payments, but these incur an additional 3% convenience fee.

Once you have registered for a particular class, we'll ask that you visit the

Mathworks Center to pick up your SAT or ACT prep book and get started on the initial pre-test.

If you have any questions about these math programs (or if you aren't sure which test to take), please contact Mathworks at 239-591-2468 (Mathworks Center), 239-592-6636 (office) or mathworks@weatherworks.com. For questions about language arts and SAT / ACT tests, contact Liberty Tutoring at 239-514-8606 or libertytutoring@comcast.net.
